## EDUCATION

### **Michigan State University**

*Bachelor of Arts in Economics; Data Analytics Minor*

**East Lansing, MI**

*Class of 2019*

- Coursework in finance and data analytics using python & R

## WORK EXPERIENCE

### **Danone**

**Broomfield, CO**

*Business Analyst, Revenue Growth Management*

*Feb 2020 – Oct 2022*

- Consistently improve revenue efficiency by \$7-10MM through new reporting and applications of pre-existing but underutilized guidelines, identifying pricing opportunities to keep pace with inflationary environments, and new analysis to identify market opportunities
- Develop data pipelines in Python, Excel, and PBI to ensure fast, consistent, and accurate reporting
- Transition from manual data collection of syndicated providers to cloud storage and live data feeds (Snowflake)
- Identify data governance gaps and develop improved processes for accuracy in future ownership and maintenance

### **Civil Service Commission, State of Michigan**

**Lansing, MI**

*Human Resources Analyst*

*Sept 2018 – Dec 2018*

- Compile a local database of all available internship data for the state of Michigan under Senior Human Resources Analyst Jodee Ledford
- Identify key trends: retention rate, target schools, and post school placement
- Create executive summary report for board of directors and department heads to encourage interdepartmental communication and facilitating decision making

### **Student Athletic Association, Michigan State University**

**East Lansing, MI**

*Macroeconomics Tutor*

*Jan 2018 – May 2018*

- Led study sessions of 3-5 students
- Ensure all attending students had thorough understanding of concepts and subject matter, all students achieved a course grade of 3.5 or higher

## LEADERSHIP

### **Fed Challenge**

**East Lansing, MI**

*Member*

*May 2018 – Dec 2018*

- Attended and present at professor-led meetings focused on analyzing current economic trends and events
- Prepared annual presentation to the Chicago Federal Reserve, placed 3<sup>rd</sup> out of 12 collegiate teams

### **Student Investment Association**

**East Lansing, MI**

*Member*

*Aug 2019 – Dec 2019*

- Attend weekly meetings and talks on careers in finance and associated aspects of career development
- Review current events and financial news to analyze impacts on markets and assets
